Certifications

IIT Bombay certified Python 3.4.3
Training

Shivam Vats

Student at Indian Institute of Information Technology, Design and
Manufacturing, Kurnool
Rohtak, Haryana, India

Summary

Hello there! I'm Shivam Vats, currently embarking on my journey in the world of technology as a first-year BTech student at IIITDM Kurnool. I am deeply passionate about software development and artificial intelligence, driven by the curiosity to explore these fields' endless possibilities.

Skills Snapshot:

Proficient in Python, C, and Java

Keen interest in algorithm design and data structures

An enthusiastic learner with a focus on staying updated with the latest industry trends

About Me:

I believe in the power of coding to transform ideas into reality. My academic pursuits and extracurricular activities reflect my dedication to mastering the craft of software development. Whether it's crafting efficient algorithms or creating innovative solutions, I am committed to pushing the boundaries of what technology can achieve.

Academic Pursuits:

Currently immersed in the dynamic learning environment at IIITDM Kurnool, I am eager to apply theoretical knowledge to real-world projects. My coursework is not just a series of classes; it's a foundation for building the next generation of technological solutions.

Collaboration and Networking:

I am always open to connecting with like-minded individuals, professionals, and enthusiasts in the software development and AI communities. Let's collaborate, share insights, and grow together in this

exciting tech journey!

Contact:

Please feel free to contact me for discussions, collaborations, or just a friendly chat. I look forward to connecting with fellow tech enthusiasts, mentors, and industry professionals!

Education

Indian Institute of Information Technology Design & Manufacturing,
Kurnool

Bachelor of Technology - BTech, Artificial Intelligence and Data
Science · (August 2023)

Greenland Public School, dattaur rohtak

High School, Science · (April 2020 - June 2022)
